

Since becoming a chartered member of Little League International in 1960, Berlin Little League has been serving the Berlin/Ocean City area youth through both baseball & softball programs. Many of our players, coaches, and volunteers have enjoyed many successes both on and off the field. We have won many MD District 8 and MD State Championships in various divisions over the years and helped to put our small town on the Little League map by competing at the regional & international levels. We understand that this success cannot be attributed to just the players, parents, and coaches on the field, but also to the community that has continuously and generously supported BLL over the years.

In an effort to recognize those who have helped to make Berlin Little League so great, the current Board of Directors would like to offer scholarships to local high school students to help them pursue their dreams beyond the playing field. With reviews conducted by our team of Hall of Famers, up to 4 - \$1,000 scholarships will be awarded to high school seniors who has been involved with BLL – either as a player, sibling, or volunteer.
