9 - FROM OUR PARTNERS

The Price Automotive Group Extends Special Offers to Chamber Members

Offer #1: Fleet and Business Vehicle Program

Our team of dedicated fleet specialists understands that your vehicles are the lifeblood of your business. When they're not on the road, your business isn't running at full speed. That's why we've designed our service to minimize downtime and keep your fleet moving.

Simply drop off your vehicle in the late afternoon or early evening. We'll perform any necessary maintenance or repairs overnight, and your vehicle will be ready for pickup by 7 a.m. the following morning. To make the process even smoother, we provide a complimentary loaner vehicle to the employee dropping off the fleet vehicle. This way, you get the best of both worlds: easy vehicle maintenance with minimal interruption to your operations.

As a proud partner of the Chamber of Commerce, we're offering exclusive benefits to all fellow Chamber members. This includes **special pricing** on all maintenance, parts, and new vehicle purchases.

You'll also receive **priority service** to ensure your vehicles are back on the road as quickly as possible. We're confident this program can provide significant value and support to your fleet operations, helping your business run more efficiently and cost-effectively.

Offer #2: Price Forever VIP Rewards for Employees

In addition to the fleet program, we would like to offer all Chamber businesses and their employees a **free enrollment** into our Price Forever VIP Rewards Program. There's no cost to sign up—they just need to register a vehicle with us, whether they buy it from us or begin servicing it at one of our dealerships. This immediately entitles you to 20% of what you spend in service back in rewards (every point = \$1).

Once enrolled, every time an employee services their vehicle with us, they'll earn rewards:

- **10%** of all customer-paid service and parts invoices will be saved and applied towards the purchase of their next vehicle.
- **5%** is saved toward major services.
- **5%** is saved toward tire and restoration services.

This program can serve as a valuable and cost-free employee perk, helping them save on future vehicle purchases and maintenance while providing them with the professional service of the Price Automotive Group.
