## Dear Friends,

What an incredible year it has been! Last year was a defining year for The Security Foundation (TSF), thanks to the continued support of our dedicated corporate and individual donors. With your invaluable partnership, we've made significant strides in furthering our mission of fostering public-private partnerships (PPP) to enhance global and domestic security.

We are proud to share that, since our founding, we've now surpassed 525+ programs funded, which speaks volumes about the reach and impact of our efforts. This milestone is a testament to the hard work, collaboration, and unwavering dedication of everyone involved. TSF is especially proud to have successfully supported 84 OSAC and DSAC programs in 2024 at no cost to OSAC and DSAC members thanks to the support of TSF Donors. To close out 2024, in a landmark achievement, TSF officially signed a Memorandum of Understanding (MOU) with the U.S. State Department's Bureau of Diplomatic Security.

Looking ahead to 2025, we are energized by the progress we've made this past year and excited for the continued growth of our partnerships and initiatives. Up next, we're thrilled to celebrate OSAC's 40th and DSAC's 20th Anniversaries at Security Week in November. With your ongoing support, we remain committed to improving the safety and security of U.S. citizens and interests, both at home and abroad.

We are truly grateful for your continued involvement in TSF's mission. Together, we are helping to build a more secure, connected world, one partnership at a time.

Sincerely,

Dave Komendat  
President

Peggy O'Neill  
Executive Director

# Year in Review

## TSF IMPACT

In 2024, The Security Foundation made several monumental advancements in both our internal operations and in how we serve the security community. Below are just a few of the highlights that have made 2024 such a transformative year for TSF:

- **MOU with the U.S. State Department**

TSF officially signed a Memorandum of Understanding (MOU) with the U.S. State Department's Bureau of Diplomatic Security. This agreement strengthens our collaboration, further solidifying our role as a trusted convener and partner in building a safer, more secure world.

- **525+ Programs Funded**

We are thrilled to announce that we have surpassed over 525 programs funded since our inception. This incredible milestone showcases the lasting impact TSF has made across a variety of security initiatives and underscores the critical role of our donors in making this possible.

- **Successful DSAC Annual Meeting & OSAC Annual Briefing Support**

TSF had the honor of supporting both the Domestic Security Alliance Council (DSAC) Annual Meeting and the OSAC Annual Briefing, events that brought together key stakeholders in the security and risk management communities. These successful events exemplified our commitment to fostering collaboration and supporting effective security solutions.

- **Completion of Our Comprehensive Strategic Plan**

This year, we completed a comprehensive Strategic Plan that will serve as a roadmap for TSF's future. This plan ensures we are strategically positioned to meet the challenges ahead and maximize our impact in supporting public-private partnerships worldwide.

- **Rebranding to TSF**

In a move that better reflects our expanded mission, we officially rebranded from the "International Security Foundation" to "The Security Foundation". This new identity more closely aligns with our increased focus on Public-Private Partnerships and represents our growing role as a key player in global security initiatives.

- **The 2024 TSF Dinner**

We were thrilled to host another successful TSF Dinner, which remains one of our most anticipated events of the year. The evening served as a powerful reminder of the incredible community of donors, partners, and supporters who make TSF's work possible.

- **Security Coalition for Engagement & Advancement (SCEA)**

In May 2024, TSF launched the Security Coalition for Engagement & Advancement (SCEA) at the annual SCEA Summit to unify the security industry. Focused on increasing awareness of opportunities for young professionals and mentoring current security leaders, SCEA is structured around four pillars: Hiring & Recruitment, Education & Training, Marketing, and Data & Research.

# TSF Leadership

In 2024, Dave Komendat took on the role of President of the Board of Directors of The Security Foundation. With his extensive experience, including a 36-year career at Boeing, where he retired as Vice President and Chief Security Officer, Dave's leadership continues to inspire and drive our mission forward.

*"TSF is a leader in convening and supporting the desire and need for enhanced public-private sector collaboration, which strengthens the dialogue so important to all of us and to the security of our nation."*

- Dave Komendat, TSF President

# DSAC Support

We were delighted to host the 2024 Domestic Security Alliance Council (DSAC) Annual Meeting and The Security Foundation (TFS) Reception. This was the second time TSF has hosted this important information-sharing event. DSAC’s incredible network brings together private security leaders across all types of industry and sectors to connect from security experts in the Federal Bureau of Investigation and the U.S. Department of Homeland Security. These relationships—strengthened by DSAC’s responsive and innovative programs and events—enable each of us to learn from others’ experiences. The result is a stronger homeland security community and network, one that may better address our country’s security crises, natural disasters, crime and other threats. TSF sponsored 17 other DSAC events in 2024, helping to expand and deepen the vibrancy of the collaboration between public and private sectors to strengthen domestic security.

At the conclusion of DSAC's Annual Meeting, private sector members of DSAC met with their Private Sector Coordinators (PSCs) at the Senior Leadership Exchange.

## 13th Annual TSF Dinner

The 13th Annual TSF Dinner, held November 20, 2024, at the stunning National Building Museum in Washington, D.C., welcomed nearly 1,000 security professionals from the public and private sectors to celebrate public-private partners in furthering the global security network to keep U.S. companies, organizations and citizens working abroad safer and more secure. This evening, which is one of the most anticipated networking events in our industry, was exceptional, thanks to the generosity of our many sponsors, individual ticket purchasers, guests and vendors, particularly The Webster Group, Ridgewells Catering, AVL D Events, Design Foundry and D3.

*Dave Komendat, President of the TSF Board, welcomes guests at the 13th Annual TSF Dinner.*

*On a night dedicated to service and impact, The Honorable Leon Panetta took the stage at the 13th Annual TSF Dinner, delivering a heartfelt and powerful keynote address.*

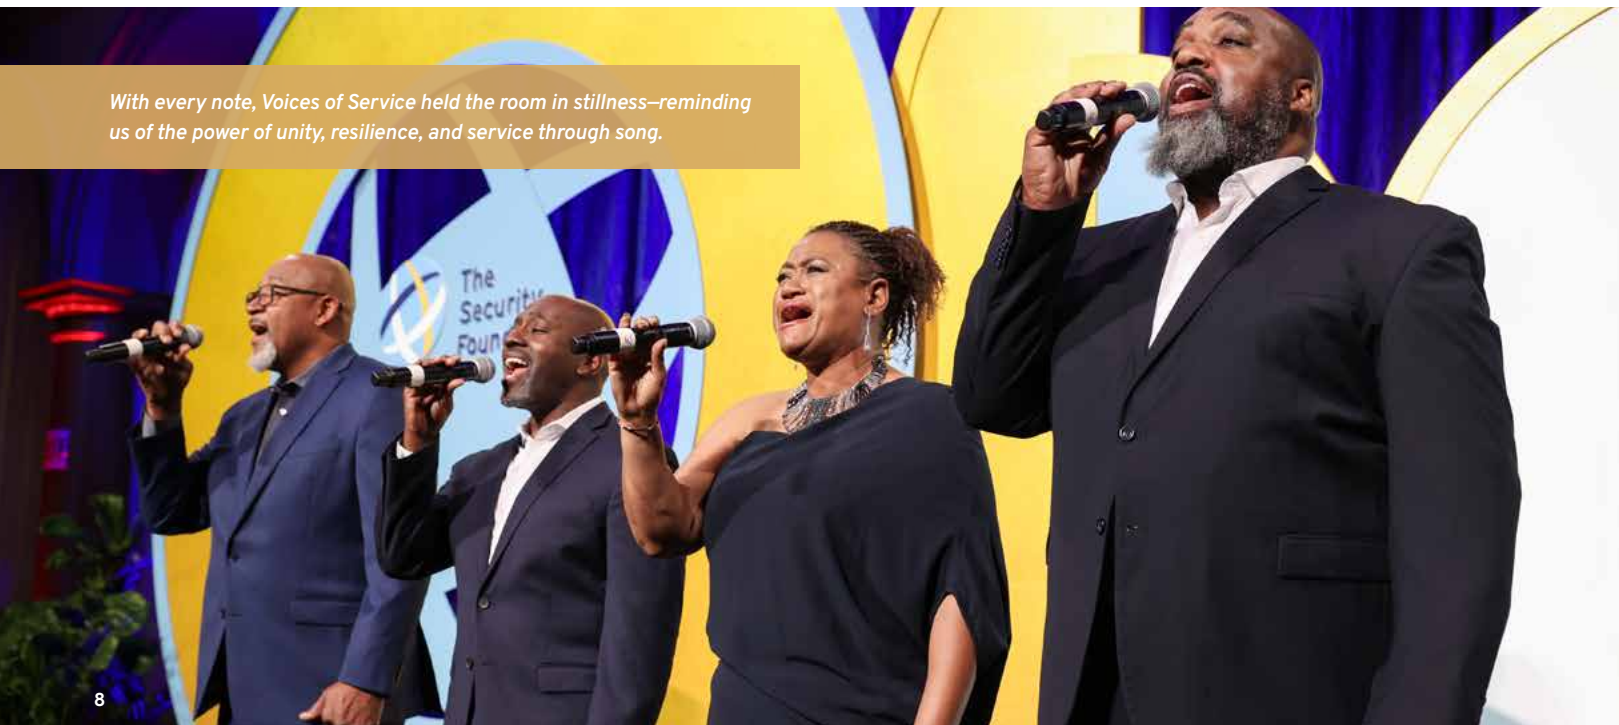

*Peggy O'Neill, Executive Director of The Security Foundation, delivers remarks at the 13th Annual TSF Dinner, emphasizing collaboration and security leadership.*

*An impressive crowd fills the room during the welcome reception, setting the stage for an unforgettable evening at the 13th Annual TSF Dinner.*

*With every note, Voices of Service held the room in stillness—reminding us of the power of unity, resilience, and service through song.*

# Diamond Sponsor Spotlight

We are deeply grateful to the generous leadership of our Diamond Sponsors for the 13th Annual TSF Dinner. Thank you for such meaningful, continued support of this event, and in turn, public-private programs throughout the year.

"Inspired by our shared vision of service and safety, Allied Universal® is steadfast in our support of TSF and the value it provides through networking, resources, education, fundraising and so much more. TSF's commitment to public-private partnership enables and empowers Allied Universal to provide a more secure world for our clients, employees and the communities we serve around the globe. Thank you, TSF and OSAC, for being our partners in making the world a safer place."

-Edward B. Silverman, CPP, Chief Global Ambassador, Allied Universal®

**Allied Universal's TSF Support:**

Leadership Donor Since 2018

Consecutive Diamond Sponsor Since 2022

# Security Coalition for Engagement and Advancement (SCEA)

In May 2024, to unify our industry behind a common vision, TSF unveiled the Security Coalition for Engagement & Advancement (SCEA) at the annual SCEA Summit. At its core, SCEA's focus is twofold:

- increasing awareness of opportunities within the security profession to college students and young professionals; and,
- mentoring professionals already in the security profession to ascend to leadership positions

SCEA is comprised of four pillars that guide this effort, unanimously agreed upon during the Summit: (1) Hiring & Recruitment, (2) Education & Training, (3) Marketing, and (4) Data & Research. Each area is charged with a different approach to identifying opportunities across the security profession.

Read more about our collaborative efforts at [securityfdn.org/programs/](https://securityfdn.org/programs/)

For more on SCEA, contact  
Carly Coaty, TSF Director of Programs  
[carlycoaty@securityfdn.org](mailto:carlycoaty@securityfdn.org)

# OSAC Support

The Security Foundation was proud to support 66 OSAC programs in 2024. OSAC programs provide a platform for public-private information sharing and networking for the protection of U.S. citizens and interests overseas. OSAC builds trusted support networks through its peer membership groups and year-round social events, including Country Chapters and Common Interest Committees (Regional, Sector and Special Interest Committees). Membership is free and open to any organization incorporated in the U.S. and headquartered in the U.S. that has overseas operations. We are deeply grateful to the many corporations and individuals who sponsor OSAC Common Interest Committees and Country Chapter events across the world.

# The Security Foundation Members

Individual TSF memberships grew steadily in 2024. We are pleased to highlight one of our new members.

## TONY STRICKLAND

Chief Security Officer of CSL Behring  
TSF Member since 2024

"As a member of The Security Foundation (TSF), I am honored to contribute to an organization dedicated to advancing security across industries. TSF plays a pivotal role in fostering collaboration, sharing best practices, and driving innovation, ensuring we remain at the forefront of addressing complex security challenges. Being part of this esteemed network of professionals not only allows me to exchange insights with industry leaders but also strengthens our collective ability to navigate an evolving security landscape. It is a privilege to engage with a community built on mutual support, growth, and a shared commitment to excellence in security."

### TSF Pin and TSF Challenge Coin

## What does TSF membership support?

Becoming a TSF member is a wonderful way to advance our work supporting public-private partnerships worldwide. Individual memberships range from \$250 to \$1,500, and one membership fee can often fully fund an OSAC Country Chapter meeting or a DSAC Field Office Meeting.

Members receive a new TSF Pin or Challenge Coin, depending on the membership level, and other benefits. For details, visit [securityfdn.org/become-a-member/](https://securityfdn.org/become-a-member/)

# Nonprofit Grants Program Recipients

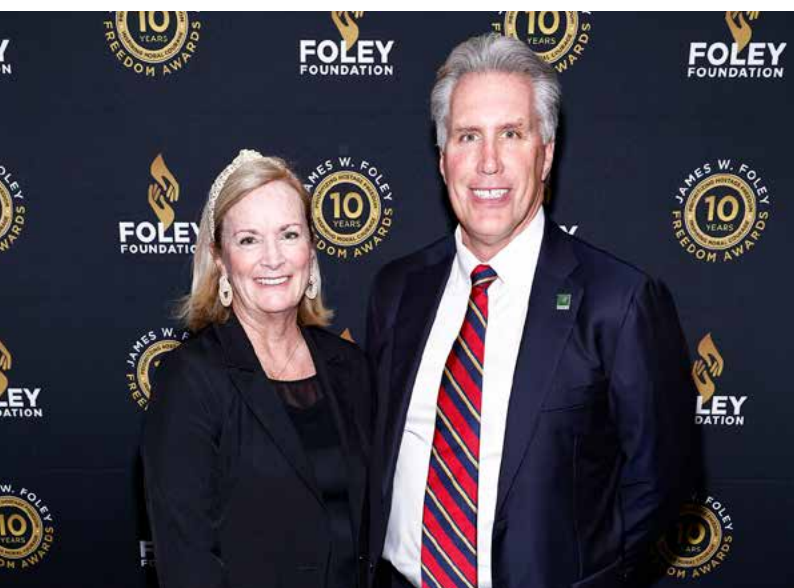

The Security Foundation's Nonprofit Grant Program supports smaller, U.S.-based nonprofits serving the security industry and has helped nonprofits build capacity and better serve their mission.

## In 2024, we proudly supported the following nonprofit:

The **James W. Foley Legacy Foundation (Foley Foundation)**'s 10th annual Freedom Awards ceremony to advocate for American hostages and wrongful detainees held abroad and promote journalist safety.

### II

*"The Security Foundation's generous sponsorship of the James W. Foley Legacy Foundation's 2024 Freedom Awards enabled 68 individuals - including families of Americans held hostage or wrongfully detained abroad, survivors of hostage-taking, and families of Americans who perished in captivity - to participate in the event at no cost. Family members, while in D.C. for the event, were able to conduct meetings arranged by the Foley Foundation with key government personnel to advocate for their loved ones' freedom. These appointments were held with White House officials, members of Congress, the FBI, and Department of State. Many of these officials also attended the Freedom Awards, giving families the opportunity to network with key policymakers and media influencers thereby enabling candid conversations that build relationships and establish trust among those working for the release of Americans unjustly held captive."*

TSF Executive Director, Peggy O'Neill (left), and Board President, Dave Komendat (right), attend the 10th annual Foley Freedom Awards

## INTERESTED IN APPLYING?

Each year, TSF holds two rounds of grant applications and awards through its Nonprofit Grants Programs.

For application cycles and eligibility requirements, visit [securityfdn.org/support-grants/nonprofit/](https://securityfdn.org/support-grants/nonprofit/).

# TSF Staff

With the exciting changes at TSF in 2024, including new initiatives, events, and an expanded vision of our role in the security space, we are thrilled to announce a significant promotion and a new addition to our team. In January 2024 Siobhan Clune was promoted to Associate Executive Director responsible for day-to-day operations of TSF. We also welcomed Kyla Hammond to TSF as our new Digital Marketing Manager. This hire reflects our commitment to adapting to the evolving landscape and strengthening our impact in the digital space.

# The Security Foundation

## Our Mission

Enabling impactful collaboration  
throughout the security industry.

## Our Vision

To be the leading nonprofit  
convener of trusted security  
partnerships.

1300 I Street NW, Suite 400 Washington, DC 20005
