

Become A Sponsor

of the Annual TSF Dinner

The impact of sponsorship is worldwide. Sponsorship funds go directly to support numerous workshops, programs, forums, consultations, reports and much more to benefit the U.S. global security network.

As a sponsor, your organization:

- Helps to keep American companies, NGOs, academic and faith-based organizations and nonprofits operating at home and abroad safer and more secure.
- Deepens and expands the community of security professionals working across the globe to share critical information in real time to address and prevent crisis.
- Provides the funds to meet OSAC and DSAC's new initiatives to serve this vital network.
- Furthers the visibility within and leadership of OSAC and DSAC and its growing public-private partnership.
- Supports related organizations by funding education programs and security information exchanges.

Join the 90-plus annual TSF Dinner sponsors by supporting TSF through one of the sponsorship levels outlined in this packet.
