

**The Parks at Wilson Creek Public Improvement District
Phase #2 – Lot Type 2 – 60 FT Lot
Project Overview**

The Parks at Wilson Creek Public Improvement District (the “PID”) was created by the City Council of the City of Celina (the “City Council”) on August 10, 2021, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 2021-58R upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the PID and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the PID. All of the property in the PID is located within the boundaries of the City of Celina (the “City”).

The PID was created principally to finance certain public improvement projects (the “Authorized Improvements”) that specially benefit assessed property in the PID. A Service and Assessment Plan was accepted and approved by the City Council on November 9, 2021 and updated for Phase #2 on June 10, 2025 pursuant to City Ordinance No. 2025-32 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the PID and for payment of assessments with respect thereto. The assessments may be prepaid in whole or in part at any time or may be paid in annual installments as provided by the Act and the Service and Assessment Plan.

The City issued the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (The Parks at Wilson Creek Public Improvement District Initial Major Improvement Project) (the “MIA Bonds”) in the aggregate amount of \$12,604,000 pursuant to the Act, Ordinance 2021-104, and an Indenture of Trust dated December 1, 2021 between the City, and U.S. Bank National Association, as trustee, for which the Phase #2 property is subject to repay a prorated share of the MIA Bonds. Additionally, the City approved a reimbursement agreement in the aggregate amount of \$12,780,092 to finance the remaining Authorized Improvements of the Major Improvement Area (the “MIA Reimbursement Agreement”). Lastly, the City approved a reimbursement agreement in the aggregate amount of \$19,524,266 to finance the Authorized Improvements related to Phase #2 of the PID (the “Phase #2 Reimbursement Agreement”).

Phase #2’s share of the MIA Bonds, Phase #2’s share of the MIA Reimbursement Agreement, and the Phase #2 Reimbursement Agreement are payable from the Phase #2 Assessments levied against each parcel of Assessed Property within Phase #2 of the PID pursuant to the Assessment Ordinance and in accordance with the SAP.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the City, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Collin County Tax Office and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.
