## ***I. INTRODUCTION***

---

The Chalk Hill Public Improvement District No. 2 (the “PID”) was created pursuant to the PID Act and a resolution of the City of Celina City Council (the “City”) on December 12, 2017 to finance certain public improvement projects for the benefit of the property in the PID.

On March 23, 2018, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Chalk Hill Public Improvement District No. 2 Phase #1 Project) (the “Phase #1 Bonds”) in the aggregate principal amount of \$4,325,000 and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2018 (Chalk Hill Public Improvement District No. 2 Phases #2-3 Major Improvement Project) (the “Phases #2-3 Major Improvement Bonds”) in the aggregate principal amount of \$3,690,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

On July 11, 2023, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2023 (Chalk Hill Public Improvement District No. 2 Phases #2-3 Direct Improvement Project) (the “Phases #2-3 Direct Improvement Bonds”) in the aggregate principal amount of \$7,633,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Phases #2-3 the PID. The City also entered into a reimbursement agreement in the aggregate principal amount of \$1,612,000 (the “Phases #2-3 Direct Reimbursement Agreement”) to finance a portion of the remaining costs of the Phases #2-3 Direct Improvements.

A service and assessment plan dated March 23, 2018 and updated for the Phases #2-3 Direct Improvements on July 11, 2023 (the “Updated Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2025-26 (the “Annual Service Plan Update”).

The City also adopted assessment rolls for the PID attached as Appendix G, H, and I to the Updated Service and Assessment Plan (the “Assessment Rolls”) identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for 2025-26.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the

obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix F and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID Act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

### **C. ANNUAL BUDGET – PHASE #1**

#### *Phase #1 - Annual Installments – 2025-26*

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds, of which twenty-three (23) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 6.25 percent per annum. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (6.25 percent) plus an additional interest of one-half of one percent (to be used for funding the Prepayment Reserve and Delinquency Reserve) equals 6.75 percent and is used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2025 and will be delinquent on February 1, 2026.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2025-26 and the administrative expenses to be collected from each Parcel. Administrative expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and Trust Indenture, such as the Tax Increment Reinvestment Zone No. 10, City of Celina, Texas (the “TIRZ No. 10”) incremental taxes available to the PID (the “TIRZ Annual Credit Amount”), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds from the collection of the Annual Installments on the assessed property. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Updated Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2025-26

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments of the Assessments on the assessed property collected for 2025-26 as shown in Table II-C-1 below.

### ***III. UPDATE OF THE ASSESSMENT PLAN***

---

The Updated Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

#### ***Assessment Methodology***

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

*(The remainder of this page is intentionally left blank)*
