

Spiritas East Public Improvement District
40 Ft. Lot
Project Overview

The Spiritas East Public Improvement District (the “District”) was created by the Town of Little Elm Town Council (the “Town Council”) on February 2, 2021, pursuant to the Public Improvement District Assessment Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and the passing and approval of Resolution No. 1116202103 upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created to finance certain public improvements (the “Authorized Improvements”) that benefit the property in the District. All of the property in the District was located in the corporate limits of the Town of Little Elm (the “Town”). On December 21, 2021, the Town Council adopted Ordinance No. 1650 that approved a Service and Assessment Plan for the District (the "Original Service and Assessment Plan") and levied the Initial Authorized Improvement Assessments (the “Assessments”) on certain property within the District in accordance with the Assessment Roll attached as Appendix G to the Original Service and Assessment Plan.

Additionally, on February 20, 2024, the Town Council adopted Ordinance No. 1750 that approved a Service and Assessment Plan updated for Additional Authorized Improvements for the District (the "Updated Service and Assessment Plan") and Assessments on certain property within the District in accordance with the Assessment Roll attached as Appendix H to the Updated Service and Assessment Plan.

On January 14, 2022, the Town issued the Town of Little Elm, Texas Special Assessment Revenue Bonds, Series 2022 (Spiritas East Public Improvement District Project) (the “Series 2022 Bonds”) in the aggregate principal amount of \$4,650,000, to finance, refinance, provide or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in the PID. Thereafter on February 20, 2024, the Town approved the Additional Authorized Reimbursement Agreement (the “Reimbursement Agreement”) in the aggregate principal amount of \$350,000 to finance the remaining costs of the Authorized Improvements. The Series 2022 Bonds and the Additional Authorized Improvements Reimbursement Agreement are backed by the Assessments and may be prepaid in whole or in part at any time or may be paid in annual installments as provided by the Act and the Service and Assessment Plan.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the Town, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Denton County Tax Office and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

More information concerning the District, the Assessments and the due dates of the annual installments of the Assessments may be obtained from MuniCap, Inc., the PID Administrator, located at 600 E. John Carpenter Freeway, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.

FAILURE TO PAY THE ASSESSMENTS LEVIED AGAINST ASSESSED PROPERTY, INCLUDING THE ANNUAL INSTALLMENT THEREOF, COULD RESULT IN FORECLOSURE OF SUCH PROPERTY.
