

## **Solana Public Improvement District Improvement Area #1 Land Class Use 14**

### **Project Overview**

The Solana Public Improvement District (the “District”) was created by the Town Council of the Town of Westlake (the “Town Council” and “Town”, respectively) on February 24, 2014, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 14-07 upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally to finance certain public improvement projects for the residential development located within the boundaries of the Town. A Service and Assessment Plan was accepted and approved by the Town Council on January 15, 2015, pursuant to Ordinance No. 741 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the District and for payment of special assessments with respect thereto.

The Town issued the Town of Westlake (Solana Public Improvement District Project) Special Assessment Revenue Bonds, Series 2015 (the “Series 2015 Bonds”) in the aggregate amount of \$26,175,000 pursuant to the Act, an Ordinance No. 743 adopted by the Town Council on January 15, 2015 and an Indenture of Trust dated as of February 1, 2015 between the Town, and the U.S. Bank, N.A. as Trustee. The Town also approved the Solana Public Improvement District Reimbursement Agreement (the “Reimbursement Agreement”) in the aggregate amount of \$3,400,000 pursuant to Ordinance No. 742 adopted by the Town Council on January 15, 2015 to finance the remaining costs of the Authorized Improvements. The total amounts of the Series 2015 Bonds and the Reimbursement Agreements are collectively referred to as Assessment Part A. On January 29, 2018, the Town levied Assessment Part B to finance the parking garage, pursuant to the approved site plan and construction drawings for the parking garage.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the Town, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Tarrant County Tax Office and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district, or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

More information concerning the PID, the Assessments and the due dates of the Annual Installments of the Assessments may be obtained from MuniCap, Inc., the PID Administrator for the Town, located at 600 E. John Carpenter Fwy, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at [txpid@municap.com](mailto:txpid@municap.com).

**FAILURE TO PAY THE ASSESSMENTS LEVIED AGAINST ASSESSED PROPERTY,  
INCLUDING THE ANNUAL INSTALLMENT THEREOF, COULD RESULT IN  
FORECLOSURE OF SUCH PROPERTY.**
