Member Notice

[2023 Legislative Priorities of the OC Chamber of Commerce](#)

The OC Chamber has an active Government Relations Committee as well as a contracted lobbyist, Dennis Rasmussen, who works on our behalf in Annapolis. The committee maintains contact with our Eastern Shore delegation as well as federal representatives on issues that could impact our membership.

During the legislative session that runs January 11 - April 10, 2023, the Chamber will communicate with membership on a weekly basis and include an updated list of bills that may impact our region and member businesses. In addition, the Government Relations Committee will participate in weekly Zoom sessions with our lobbyist to stay abreast of any changes or action that needs to be taken. We also plan to work closely with our elected officials and strengthen relationships with other statewide legislators who have similar priorities in their districts.
