### [June 13-14 • Volunteer at the OC Chamber Drink Tents at the OC Air Show](#)

Want the best view on the beach to feel the planes as they fly by? Register to volunteer at the OC Chamber drink tents at the OC Show!

We need volunteers for both days, Saturday, June 13th and Sunday, June 14<sup>th</sup> (especially Sunday!), to help sell cold drinks and enjoy the show! We ask volunteers to be there the whole day, rather than breaking the day into two shifts. This way, our volunteers can still take breaks and enjoy the show, but without having to wait for the next shift to get into town--which has proved quite difficult during the show! Lunch and a shift drink are provided, plus the opportunity to watch the Air Show for free!

### [June 16 • Cruise & Connect](#)

**REGISTRATION REQUIRED!** Set sail for an unforgettable evening of networking, relationship-building, and stunning bay views! Join the Ocean City Chamber of Commerce for an evening on the water as we cruise the bay with fellow business professionals aboard [Seacrets Cruises](#).

5-7pm • Seacrets Cruises, 117 49<sup>th</sup> St (behind Seacrets), Ocean City

[June 17 & 24 • Summer Work Travel Committee Presents Welcome Events for Student Exchange Visitors](#)

This event is one of the first social gatherings of the season and offers a valuable opportunity for students to meet fellow participants and connect with the local community. Attendees can open a bank account, learn about safety from the Ocean City Police Department, Beach Patrol, and Department of Transportation, and engage with representatives from Maryland's Coast, the Health Department, Ocean City Public Library, local churches, and more. Students will enjoy pizza and lemonade, receive free giveaways, and have the chance to win a free bicycle.
