**Renewal projects** listed on the Grant Inventory Worksheet are requested to email Leslie at [leslie.leether@maryland.gov](mailto:leslie.leether@maryland.gov) no later than **5:00 p.m. on Monday, August 22, 2022** that they intend to submit a renewal or if they wish to reallocate their project. Please provide the name(s) of the project in the email.

Somerset County Health Department is the HALS CoC Collaborative Agent and encourages agencies not previously funded through the CoC HUD NOFO to consider applying for funds detailed below. SCHD will assist any agency who wishes to submit a new or bonus project.

***(The information below was pulled from the NOFO; project requirements are covered in detail on pages 37-44)***

Through the reallocation process, CoCs may create the following type of new projects by reducing funding to or eliminating existing programs or using bonus project funds:

### ***New Projects Created Through Reallocation or Bonus***

- (a) PH-PSH projects.
- (b) PH-RRH projects.
- (c) Joint TH/PH-RRH component projects.
- (d) Dedicated HMIS project for the costs at 24 CFR 578.37(a)(4) that can only be carried out by the HMIS Lead, which is the recipient or subrecipient of an HMIS grant and is listed on the HMIS Lead form in the CoC Applicant Profile in *e-snaps*. Additionally, if the CoC has organizations within its geographic area that are victim service providers, the HMIS Lead, or subrecipient, may request HMIS funds for a comparable database. Victim service providers may also request HMIS funds in their project application budgets to enter data into a comparable database.
- (e) SSO-CE project to develop or operate a centralized or coordinated assessment system.

### ***New Projects for DV Bonus.***

- (a) PH-RRH projects dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that are defined as homeless (24 CFR 578.3);
- (b) Joint TH/PH-RRH component projects defined in Section III.B.2.r of this NOFO dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking who are defined as homeless (24 CFR 578.3); or
- (c) SSO-CE project to implement policies, procedures, and practices that equip the CoC's coordinated entry to better meet the needs of survivors of domestic violence, dating violence, sexual assault, or stalking.

### ***Expansion Project.***

HUD will allow project applicants to apply for a new expansion project (see Section III.B.2.j of this NOFO) through reallocation, CoC Bonus, and DV Bonus processes to expand existing projects to increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-CE projects.

- (a) Project applicants intending to submit new project applications for the purposes of expanding an eligible renewal in the CoC Program must:
  - (i) enter the grant number of the eligible renewal project, proposed for expansion, in the new project application; (ii) indicate how the new project application will expand units, beds, services, persons served, or services provided to existing program participants, or in the case of HMIS or SSO-CE projects, how the current activities will be expanded for the CoC's geographic area; and (iii) ensure the funding request for the expansion grant is within the funding parameters allowed under reallocation, CoC Bonus, or DV Bonus available amounts.
- (b) Project applicants may expand an existing renewal project that is not currently dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that meet the definition of homeless (24 CFR 578.3) to dedicate additional beds, units, persons served, or services provided to existing program participants to this population.

HALS CoC requests that if anyone is interested in proposing a reallocation of money for a **new project, submitting a bonus project or submitting a DV bonus project**, to please send a letter of interest to HALS CoC via email to Leslie at [leslie.leether@maryland.gov](mailto:leslie.leether@maryland.gov), **no later than 5:00 pm on Friday, August 19, 2022.**

The letter of interest **for new projects** created through reallocation must include:

- (1) a description of the proposed new project,
- (2) cost of the proposed new project, and
- (3) how CoC funds would be reallocated to fund the new project.

*For a bonus project or DV bonus, only 1 and 2 above are necessary.*

***Assistance and guidance will be provided by the CoC Collaborative Agent (Somerset County Health Department) to organizations who submit projects.***
