Agency Updates/ Upcoming Trainings	Yvonne Harris (SCHD)- The Wellness and Recovery had an expungement clinic that was not well attended. Claudia Nelson -(DSS)- They have finished the Woodrow Wilson building. There will be 1 room shared between the Seton Center, DSS and the Health Dept. We are working on getting the

	<p>equipment and office furniture before opening. As of now they are still going down there 1 day a week. We now have a Mobility Van that will be shared with Worcester and Wicomico.</p> <p>Heather Collins (Cove Recovery)- Carelon Transitions is not functioning, and Cove Recovery is receiving only 50% of the bills' payments. I would like to note that BrightView Health Services still has a website similar to ours. It has been suggested that when referring clients to Cove Recovery, please provide them with the phone number and website so they do not rely on the Internet for guidance.</p>
