SPBTS Book Club

We will not meet in July, but will regroup on Tuesday August 22 at 7:00 p.m. on Zoom. Our next selection is "The Cape Doctor" by E.J. Levy - the story of Dr. James Barry, born in 1795, who was really born as Margaret Anne Bulkley, but lived as a man in order to practice as a doctor.

If you enjoy reading and discussing books, please join us. Contact Debbie Shuster at ocshu@comcast.net.

A synopsis from Goodreads.com:

Beginning in Cork, Ireland, the novel recounts Jonathan Mirandus Perry's journey from daughter to son in order to enter medical school and provide for family, but Perry soon embraced the new-found freedom of living life as a man. From brilliant medical student in Edinburgh and London to eligible bachelor and quick-tempered physician in Cape Town, Dr. Perry thrived. When he befriended the aristocratic Cape Governor, the doctor rose to the pinnacle of society, before the two were publicly accused of a homosexual affair that scandalized the colonies and nearly cost them

their lives.

E. J. Levy's enthralling novel, inspired by the life of Dr. James Miranda Barry, brings this captivating character vividly alive.
