The Ward Foundation is dedicated to continuing the Ward World Championship Wildfowl Carving Competition and Art Festival. Because of people like you, the Ward World Championship is the premiere carving competition in the world; and now this is your opportunity to associate your name with this prestigious event. To continue this quality show, while at the same time keeping the cost down for competitors, the Ward Foundation is seeking sponsors for the various divisions of the competition. Sponsorships will help to offset the cost of a particular competition/level or a division within a competition/level. Sponsorships of \$150 or more will receive visibility through event signage.
