Introduction to the Guide

Somerset Local Behavioral Health Authority (SLBHA), Wicomico Local Behavioral Health Authority (WiLBHA), Worcester Local Behavioral Health Authority (WoLBHA), and Worcester County's Initiative to Preserve Families/Worcester County Local Management Board (WoLMB) are pleased to present the 2025 edition of the TRI-COUNTY BEHAVIORAL HEALTH RESOURCE GUIDE for Somerset, Wicomico, and Worcester Counties in Maryland. This guide, while not inclusive of every service or behavioral health provider in the tri-county area, represents our effort to help the citizens of the region become more aware of the services that are available to them. SLBHA, WiLBHA, WoLBHA and WoLMB in no way endorse any one provider or service over another. We hope this guide is useful in your navigation of the Public Behavioral Health System in Somerset, Wicomico, and Worcester Counties. This information is also available online at www.somersethealth.org, www.wicomicohealth.org, www.worcesterhealth.org.

Maryland's Public Behavioral Health System (PBHS) Overview

The PBHS is jointly coordinated and administered by the Behavioral Health Administration (BHA), Local Behavioral Health Authority (LBHAs), and Carelon (the contracted Administrative Service Organization). BHA has oversight authority of the PBHS, which includes policy development, state-wide planning, resource allocation, and continuous quality improvement responsibilities.

Carelon, the administrative service organization for the PBHS, determines eligibility for services, approves authorizations for services, conducts utilization review of services, collects data, submits reports, processes billing claims, and remits payments to providers.

LBHAs are the local behavioral health authorities responsible for planning, managing, and monitoring public mental health services at the local level as stipulated by the Health General Article 10-10-1203, Annotated Code of Maryland.

Behavioral Health Glossary

Behavioral Health Professionals:

Advanced Practice Psychiatric Nurses/Psychiatric Mental Health (APRN/PMH) – A registered nurse certified by the Maryland State Board of Nursing who can independently engage in the following activities:

- An APRN can diagnose individuals with mental health illnesses.
- “Nurse Psychotherapist” – A registered nurse who practices psychotherapy in a structured relationship with the client.
- “Psychiatric Nurse Practitioner” – An experienced registered nurse who possesses advanced training and education in the area of diagnosing and treating illness. Nurse practitioners can prescribe medication. Psychiatric nurse practitioners specialize in providing psychiatric care to individuals.

Certified Addictions Counselor – Alcohol and Drugs (CAC-AD) – Certified addictions counselors hold the second level of certification required for substance abuse counseling. They must have a bachelor’s degree in a counseling field, among other requirements.

Certified Peer Recovery Specialist (CPRS) – An individual that is in recovery from substance use or co-occurring substance use and mental health disorder who provides support to others so that they can benefit from his or her experiences. To become certified, the peer recovery specialist must pass a standard exam.

Certified Registered Nurse Practitioner (CRNP) – A certified registered nurse practitioner is a licensed, advanced practice registered nurse (APRN) who has completed a prescribed educational program that includes advanced knowledge, skills, and abilities in assessment, diagnosis, treatment, and management.

Certified Supervised Counselor – Alcohol and Drugs (CSC-AD) – Certified supervised counselors hold the first level of certification required for substance abuse counseling. They must have an associate degree in a counseling field among other requirements.

Clinical Social Worker (LCSW, LCSW-C) – Clinical Social Workers hold a master’s degree in social work (MSW) and specialize in clinical practice. They must be licensed by the State of Maryland.

Licensed Clinical Alcohol and Drug Counselor (LCADC) – This is the next level certification after Licensed Graduate Alcohol and Drug Counselor

Licensed Clinical Professional Counselor (LCPC) – A Licensed Clinical Professional Counselor possesses a master’s degree in professional counseling. LCPCs must be certified by the State Board of Examiners.

Licensed Graduate Alcohol and Drug Counselor (LGADC) – A Licensed Graduate Alcohol and Drug Counselor certification is granted after the awarding of a master’s degree and passing the test for a license. During this time, the counselor is under supervision.

Licensed Professional Counselor (LPC) – A licensed professional counselor holds a master’s degree and is trained to work with individuals, families, and groups in treating mental, behavioral, and emotional problems and disorders.

Psychiatrist (MD) – A medical doctor possesses specialized training in the field of psychiatry. Psychiatrists must be licensed physicians in the state in which they practice and must also be certified by the American Board of Psychiatry.

Psychologist (PhD) – A psychologist possesses a doctoral degree in psychology and must be licensed by the Maryland State Board of Examiners of Psychologists. A psychologist can be a clinical or a counseling psychologist.

Behavioral Health Terms:

1915i – A state plan amendment that provides Intensive Behavioral Health Services for children, youth, and families.

Care Coordination Organization (CCO) – A provider offering a multi-level continuum of care to children and youth up to age 22 to support a transition back to the home environment, remain in their home or current living arrangement, move to lower intensity of services or restrictiveness of placement, or otherwise maintain and improve functioning and well-being.

Case Management – A process which plans, coordinates, and implements services required to meet an individual's needs.

Crisis Intervention Team (CIT) – A community effort joining law enforcement and the community for the common goals of safety, understanding, and service to the behavioral health population and their families.

Dialectical Behavioral Therapy (DBT) – A comprehensive cognitive-behavioral treatment for complex, difficult-to-treat mental disorders. It involves using two main components: individual weekly psychotherapy and weekly group therapy sessions.

Dual Diagnosis Treatment/Co-occurring Treatment – Treatment for an individual with substance abuse issues as well as a mental health diagnosis.

Evidence-Based Practice (EBP) – Making decisions about how to promote health or provide care by integrating the best available evidence with practitioner expertise and other resources, and with the characteristics, state, needs, values and preferences of those who will be affected.

Family Psycho Education – An EBP that provides education to individuals living with mental illness and their families with a goal of assisting the individual and their family to better understand and deal with his/her present illness, avoid relapse, and contribute to their own health and wellness on a long-term basis.

Intensive In-Home Intervention Program for Children (IHIP-C) – The state of Maryland's In-Home Intervention Program for Children aims to prevent out-of-home placement by providing families with access to full-time professional mental health resources.

Intensive Outpatient Program (IOP) – The highest level of outpatient treatment before inpatient care.

LGBTQ – Abbreviation for lesbian, gay, bisexual, transgender, and queer or questioning. It is an umbrella term that is used to refer to the community as a whole

Medication Evaluation – A medication evaluation involves a psychiatrist or nurse practitioner monitoring and evaluating a client's medications to ensure the client is on the proper medications. Medication evaluations can be done at various intervals.

Mental Health Case Management Services/Targeted Case Management (TCM) – Services to assist individuals in gaining access to a full range of mental health services as well as to any additional needed medical, social, financial assistance, counseling, educational, housing, and other support services.

Mobile Treatment/Assertive Community Treatment (ACT) – Mobile Treatment is an intensive, community-based service which provides assertive outreach, treatment, rehabilitation, and support to individuals with severe and persistent mental illness (SPMI) who may be without a home or for whom more traditional forms of outpatient treatment have been ineffective.

Outpatient – Treatment that is given in the community and not in a hospital setting.

Paraprofessionals – Paraprofessionals work under a trained professional in clinical settings, i.e. Licensed Social Work Associates (Bachelor level social workers).

Partial Hospitalization Program (PHP) – A program for children, adolescents, and adults that offers a bridge between inpatient acute hospitalization and outpatient services. It serves as an alternative to hospitalization and as a transition from inpatient care. The program is structured in a therapeutic setting and provides 24/7 supervision and care.

Peer Support – Individuals or family members of those living with behavioral health disorders coming together to provide self-direction that works to enhance the behavioral health of other local consumers. Peer support members meet as equals to give each other support on a reciprocal basis

Psychiatric Evaluation – A psychiatric evaluation performed by a psychiatrist or nurse practitioner that includes the history of the present illness, current symptoms the individual is experiencing, past history of illness, family history, a review of medications, mental status examinations, and a physical examination.

Psychiatric Rehabilitation Program (PRP) – A program that provides support and rehabilitation to individuals who suffer from mental illness. PRP focuses on daily living skills through the use of the community environment.

Psychological Testing – Tests which are given to individuals to assess and evaluate information. Psychological tests are administered and interpreted by a psychologist.

Residential Rehabilitation Program (RRP) – RRP housing is for individuals with a chronic mental health diagnosis, who are unable to live independently in the community.

Respite – Respite services are provided to relieve the caregiver from the stress of caregiving.

Sliding Scale – Fees are set according to the client's ability to pay (i.e., if the client has no income, the fee would be \$0).

Social Service Organization – A community organization that assists individuals with needs such as locating housing, financial assistance, and resources.

Supported Employment Program/Mental Health Vocational Program (SEP/MHVP) – SEP services provide job development and placement, job coaching, and ongoing employment support to individuals with serious mental illness or emotional disturbance for whom competitive employment has not occurred, has been interrupted, or has been intermittent.

Telemedicine – Medical information transferred through interactive audiovisual media for the purpose of consultation or the delivery of clinical care.

Therapeutic Behavioral Services (TBS) – A service provided in the home for children and adolescents under 21 years of age. The goal is to help children and families safely manage behavior at home and in the community to prevent a higher level of care.

Uninsured – If you do not currently have health insurance, you are uninsured. Individuals may only receive PMHS uninsured benefits if the provider has documented that the consumer is not eligible for MA, SSI, SSDI, or any other public benefit program and includes, in the individual's medical record, documentation from MA or Social Security stating the reason for ineligibility.

Crisis Information and 24-Hour Hotline

Affordable Health Care Assistance

Maryland Children’s Health Program (MCHP)

Provides enrollment assistance into the Maryland Medicaid Program. Medicaid offers free or low-cost health insurance to children, families, pregnant women, and adults that meet certain eligibility requirements. To qualify for Medicaid, you must be a Maryland resident, be a U.S. Citizen or have a valid immigration status and meet financial requirements. Individuals can apply online at MarylandHealthConnection.gov. For more assistance and information

Somerset County Health Department:

Phone: 443-523-1740

Wicomico County Health Department:

Phone: 410-543-6944

Worcester County Health Department MCHP Eligibility Staff:

Phone: 410-629-0164 (Health Department in Berlin) or 410-632-1100 (Health Department in Snow Hill)

Administrative Care Coordination Program (ACC)/ Ombudsman

Provides outreach and education to the Medicaid Population. ACC staff help Medicaid recipients understand their benefits and how to access and appropriately use the health care services provided through their Managed Care Organization (MCO). The **ACC Ombudsman** acts as an advocate for Medicaid recipients with complex medical needs and offers compliant resolution services.

Somerset County Health Department:

Phone: 443-523-1700

Worcester County Health Department

ACC/Ombudsman Eligibility Staff:

Phone: 410-629-0164 (Health Department in Berlin) or 410-632-1100 (Health Department in Snow Hill)

Lower Shore Health Insurance Assistance Program (LSHIAP)

Provides outreach, education, and enrollment assistance for the uninsured and underinsured residents of Somerset, Wicomico, and Worcester counties. Certified Navigators within the program provide aid to the consumers by not only providing in-person assistance with the enrollment process through Maryland Health Connection (MHC), but also by working with the consumer pre and post enrollment to ensure linkage to appropriate health related resources and continuity of care. Please visit our website or call us to speak with a Certified Navigator to address questions and/or schedule an in-person appointment.
