**Women Supporting Women receives generous grant from Community Foundation of the Eastern Shore**

Salisbury, MD – July 29, 2021 - [Women Supporting Women](http://www.womensupportingwomen.org) has received a grant of \$1,647 from Community Foundation of the Eastern Shore through their Lower Shore Funds for Community Needs.

With this grant, WSW was able to purchase products to create small care packages, or "Poufs", for those who are going through Chemotherapy. Each "Pouf" is a small travel bag that contains comfort items that can help patients as they go through their Chemotherapy treatments and can help alleviate some symptoms.

These resources from Community Foundation of the Eastern Shore have been very helpful and beneficial for us at WSW. Therefore, those who are apart of WSW would like to give our deepest gratitude to the staff at Community Foundation of the Eastern Shore for their generous grant and continued support.
