

### ***Who we are and what we do...***

Worcester County GOLD, Inc. (Worcester GOLD), a 501(c)(3) nonprofit organization, improves the quality of life of local citizens for whom traditional means of well-being support is not fully available. Worcester GOLD promotes dignity by providing financial aid for families in crisis, vulnerable adults, and children in foster care.

### ***We cannot do this alone...***

Worcester GOLD depends on caring individuals and businesses, like you, to assist us in providing the financial assistance required to provide a "helping hand" for our neighbors in critical need; assisting with basic necessities for an improved quality of life and to promote dignity.

### ***We hope for your support!***

Please join us to help keep the water running; electricity on; individuals and families under roof; the hungry fed; medical, pharmaceutical, dental, vision care, and urgent transportation needs met; provide assistance to gain and maintain employment; and coordinate special programs to assist children who are less fortunate.
